Fish Day Pictures

On September 29th, the JCSC Fish Day brought in a record 148 participants, not counting a number of volunteers who made it such a special day. We gave away hot dogs and chips and even had an ice cream treat for all. Many small Bluegill were caught along with a few bass with the largest at 3.61 pounds and about 20 inches long.

BB Gun Range at the Delaware County Fair

Any time you volunteer hours for the JCSC, make sure you log them on the hour sheets and that you keep your own records to verify hours at the end of the year. As a reminder, 28 hours per year are required with at least 8 of the hours during the week before and week after Swapper's Day. There are plenty of opportunities to get your hours. If you have questions, see one of the Officers, the Trustees, or your sponsor.
