Swapper's Day Cancellation

Swapper's Day has been cancelled for 2020! This is the first time in 75 years in our history that this has happened. The good news is that we will survive and continue to be a valuable asset for our communities. The Board of Trustees has decided to waive the 8 hour requirement for specific Swapper's Day volunteer hours but we will have plenty of opportunities for getting those hours and more in this year. Check the calendar and website for future events and opportunities to serve.

My most cherished memories from my youth and teen years was the arrival of Fall. Fall meant cooling temperatures and sweatshirts. Fall also meant the first day of hunting season on September 1. Our school cancelled classes for the first couple days because they knew that many of the students would not be in attendance at school. I would be cleaning guns, locating my warm socks, and finding my cushion to sit under the biggest nut tree I could find.

There was a lot of thinking going on as I sat under the tree and a little bit of hunting. Let's make sure we continue to pass the value of those days of fall to our children. One day they will thank us!

Much thanks to all our members who volunteered for the last Water Race of the year. We had a great turnout for the Lakehouse and for the race operations.

Dates for three races for 2021 will be finalized in November and we look forward to providing this service to our sportsman community.
